Quarterly Newsletter-2013 First Quarter

Volume 4 - Issue 1

Welcome to 2013!

Vikki L. Shatney, Vice President of Operations

As we wrap up 2012 and forge ahead into 2013, I always reflect on the changes in the travel industry and in the World. 2012 was a difficult year for many families and with the straining economy, we believed that many of our members would reduce or limit their travel plans. We were pleasantly surprised to learn that we were wrong!

Despite all of the issues and circumstances that would limit our members' ability to take a vacation and use their Club Resort Intervals memberships, 2012-2013 has proven yet again that everyone needs a vacation!

We have added at least a dozen new tour operators to our list of discounted vacation opportunities, including some charter bus companies and domestic, as well as International, escorted tour companies. We have renegotiated contracts with resort developers to reduce our average Hot Week pricing on many fantastic resort properties within driving distance of central USA. We welcome the changing times and plan to offer you more in 2013!

Fly, Drive, or Sail

Club Resort Intervals members have varied requests for what is their perfect CRIVacation and we have the ability to provide a wide array of discounted CRIVacations to suit every need.

Fly Away to your dream destination on a package deal, such as to Las Vegas, Cancun, and International destinations. Package airfare with accommodations for the best overall discount. Explore a new country or a number of countries on an escorted tour that includes airfare from the departure city of your choice.

Driving Vacations have become increasingly popular due to expensive airfares, new security regulations, and large families traveling together for weddings, reunions, and graduations. Save on transportation costs and drive yourself to one of thousands of different resort vacation destinations. Spend a week in a private cabin in the Smoky Mountains, in a resort in Branson or Maine or the Wisconsin Dells. Plan a weekend getaway to a hotel or a roadtrip across the country to experience it all.

Sail Away to Hawaii, Alaska, the Caribbean, Mexico, and New England on any of the major cruises. Plan a river cruise in the US or abroad. Your CRIVacation possibilities are endless!

Travel Insurance Regulations are Changing

Effective July 1, 2013, new government regulations will prohibit our employees from discussing policy terms and coverages with residents of states outside of the state where our company is registered. As you are aware, our corporate office is located in New Hampshire and our licensed insurance agents are still happy to provide insurance quotes to all, but may only discuss policy coverages and conditions with residents of New Hampshire. In order to alleviate any difficulties and still allow all our members the ability to purchase vacation protection, our preferred insurance company, Travel Guard will be available at a toll-free number and via our website to answer policy questions concerning coverages and terms. Ask about travel protection for your next CRIVacation.
